**I. BASIS FOR JURISDICTION**

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

or, if not lawfully admitted for permanent residence in the United States, a citizen or subject of the foreign state of \_\_\_\_\_.

Facts Robert Asst Pres

I worked in the Communications Dept. of the N.Y.H.S. from 2007-2013, only one <sup>who</sup> worked

in dept. during this time <sup>and has</sup> not secured a FT job since leaving. Was largest and most successful job in

my life. In 2008 began sending resumes for FT jobs. Early 2007 right before I started working at N.Y.H.S.

was last FT job. Have not secured a FT job since. 12 years since last FT position and not

secured FT position yet to this day, is unprecedented in my life. Usually only a couple of months

between FT positions before started at N.Y.H.S. Since 2008 gone on 60 job interviews and not secured

a position, is unprecedented usually only a couple interviews to secure a FT job before started working at

N.Y.H.S. Since leaving N.Y.H.S. on public assistance for 1st time in my life. N.Y.H.S. arranged for

public institutions <sup>where I sent resumes</sup> to spy on me, steal my personal passwords and monitor websites I was visiting so they

could know where I was interviewing and where I was and could be there for future jobs. Since

leaving N.Y.H.S. and during took classes to improve my job skills. My last salary in April 2013

of N.Y.H.S. asked to sign legal document giving N.Y.H.S. whistleblower protection in

exchange for \$2000, document written by J.R. Schmitz was 3 pages long and given to

me by Laurence Carter in front of Laura Washington. Refused to sign anything saying spying on my

work computer during lunch hour I would check my personal email address (somewhere I sent resumes).

Mrs. Washington protested when I attempted to take up my computer bag, said they took my

computer & may send me it back later when they installed spyware to monitor website

usage. Mr. & Mrs. arranged to give financial compensation to my friends Lorraine, said they deleted

connections with my friends from my Facebook account to hide this, said they intercepted

messages I arranged with attorneys, <sup>prosecutors</sup> ~~prosecutors~~ career services <sup>senior</sup> ~~senior~~ career services

me. said I am poor legal advice. Arranged to monitor my phone calls both mobile & landline.  
Have called me hundreds of times with phantom calls to harass me.

From 2007-2013 at K-9 HHS I made \$15-18 per hour 3 days a week, Mrs. Washington was at

communication made over \$10,000 per year and we did similar work. They did not continue to

send more jobs while they were getting K-T work from me at a 9 PT salary.

facts

(Robert KATZ)

I interviewed for a full-time position in early 2007 with Ms. Lora Washington, Vice-President of Communications for a position in the Communications Department. I was not hired at this time for this position.

I was hired by Ms. Washington in October 2007 to the Communications Dept. of the New York Historical Society. I was hired to book group tours to the museum. I was scheduled to work 3 days a week - 25 hours a week - at \$15.00 per hour and no health benefits. I was provided a call list of retiree groups and churches to call for and book group tours. I wrote a group tour pitch that was approved by Ms. Washington.

In November 2007 I was told by Ms. Washington to do media relations work - write media solicitations, create and manage media lists and pitch press releases to reporters and arrange media interviews. In addition to my group tour responsibilities, Ms. Washington felt the Comm. Dept. would be getting "more bang for the buck" if I took on these added responsibilities. I received no raise in pay at this time.

<sup>facts</sup> I received a raise in salary in January 2008 to \$18.00 per hour. (Responsible) (2)

I had similar responsibilities to Mrs. Washington, VP of Communications who as of 2013 had a yearly salary of \$135,000. My last part-time salary as of 2013 was \$19.10 per hour and no change in number of hours worked per week. I was not compensated fairly for equal work as compared to Mrs. Washington. Myself and Mrs. Washington were the only staff members who did media relations type work.

Mrs. Jennifer Schantz, the Chief Administrative officer and General Counsel was informed of my change in responsibilities as of January 2008 and my salary. She was also informed in March 2013. The Human Resources department knew my responsibilities and salary. Mrs. Washington submitted a yearly performance evaluation of myself to the Human Resources department each year listing my accomplishments and responsibilities each year.

They knew my salary as well.

The changing of responsibilities, nature of work, changed dramatically from what I had been hired to do originally, this is possible based and Mrs. Schmitz and Mrs. Washington knew of and originated this based. I believe this was the intention of Mrs. Schmitz and Mrs. Washington from even before I was hired.

Ben Levinsohn was hired I believe in 2011 to the Communication Dept to book group tours, he was hired Full-Time, yet I was hired part-time for the same position and had additional responsibilities put upon me.

Jays Saxena was hired Full-Time in May 2011 to the Communications Dept as a copyeditor. Tim Wroten was promoted from part-time to Full-Time in December 2011, he was Mrs. Washington's Assistant. Both Mr. Levinsohn, Mrs. Saxena, and Mr. Wroten did not contribute to the increase in expenses to the bottom line of the NYHS, as much

as my work did, yet they were hired full-time, and promoted to full-time yet I remained at part-time.

I asked Mrs. Washington what was going on and she lied to me saying she approved of me going to full-time status, but the Finance Dept. would not fund the promotion. I asked Mrs. Valerie Crane, the head of the Human Resources Dept and she refused to answer my questions, and told me to worry about myself and my own job. I questioned Mrs. Schantz about this and she lied to me saying the N-PTAS maybe going out of business due to financial trouble, yet recently completed a multimillion dollar expansion and renovation. Mrs. Luoten, Mrs. Saxens, and Mr. Levinsohn were all younger than myself.

my responsibilities were later changed to the my initial protests to: checking the communications & my history, or email inbox, writing monthly summaries of exhibits, special events, and children's museum events and sending to listings

editors, and supervise G-SPAW typings at night. Mrs. Washington several weeks later asked me to do media relations work for the children's museum with no raise in pay or upgrade to full-time status. I refused. Mrs. Washington then informed me that Mr. Wroten was going to be named Associate Manager of the Communications Dept and would be responsible for my work assignments going forward. Mr. Wroten on an almost daily basis asked me to do Full-Time media relations work, even after my conversation with Mrs. Washington on my new responsibilities given to me by her. I refused Mr. Wroten's repeated demands, and I informed Mr. Wroten of my prior conversation with Mrs. Washington, and Mr. Wroten scolded me of being difficult and continued to harass me in violation of the employee guidelines of the New-York Historical Society.

to my employment at the W-9HS. On my last day I had a meeting with Mrs. Crane and Mrs. Washington, they informed me they were re-organizing the Communications Dept and that was the reason for my termination. They handed me a legal document to sign giving the W-9HS whistleblower protection in exchange for \$2000 severance. I refused to sign the document.

In 2008 there was talk I would be promoted to Full-Time, when this did not happen I started to send resumes seeking a Full-Time position in 2008. I had interviews from 2008-13 with: New York State Society of Certified Public Accountants, Lower East Side Tenement Museum, LEAP - Learning Through Expanded Arts Program, Snapple Theater Center, LISA Federation of New York, Harvard Club of New York, French West Lighthouse public relations, Kesteven Center, Lounges + Company public relations,

and the office of Assemblywoman Amy R. Paulin. I was not offered a position with any of these organizations. I believe during my time at WYTHS the staff there stole my passwords to my personal Yahoo and Gmail email accounts off of my work computer. From these accounts I sent resumes and I believe once the staff at WYTHS knew where I was looking for new employment they interfered in this process costing possible new employment.

This was evident in several examples in 2012. Mrs. Davis Lopez was promoted from Network Administrator to Director of Information Technology at WYTHS.

- March and August 2012 I contacted Equal Employment Opportunity Commission New York office.
- November 2012 contacted New York City Public Advocate's office and spoke with Mr. Tommy Lin.

Facts

- september 2012 email from attorney william sylzer saying I should not pursue litigation and to contact Westchester County Bar Association for an attorney.
- 2012-2013 contact Assemblywoman Amy Paulin's office met with staff who took no action
- I signed a lease to my apartment in Tuckahoe, N.Y. in 2003, this lease expired and I never signed another lease. All of a sudden in early 2013 the landlord of my apartment building started pressuring me to sign a 2 year lease. He sent me a lease to sign on the exact day I was terminated from the N.Y.H.S. he communicated by email. A building staff member in 2013-2014 always said to <sup>me</sup> "so you have the day off" when we spoke in the elevator after I was terminated by the N.Y.H.S.

All of this activity shows and increase of monitoring by the N.Y.H.S.

Facts

①

- met with Cullen M. Barrie of Councilwoman Jessica Lipin's office, he refused to speak with me

- met with Bruce L. Stoddard of Congresswoman Maloney's office in Nov 2012, they did nothing.

All of these incidents I believe are connected due to spying by N.YHS of my personal email accounts and websites I visited. They infringed on my right to privacy of my personal email accounts.

I had a picture of Eli Manning winning

his first Super Bowl in my work cubicle/station/desk. Someone had grabbed it over it one day. I reported this to Mrs.

Washington she contacted security. After this incident

I decided to put my computer keyboard under lock and key ~~above~~ my desk. Mrs. Washington protested this.

I stopped this action, I believe Mrs. Washington protested because they were looking at my personal email accounts from my work computer. This is why my privacy settings on my personal Gmail account

never showed anything off from what I checked my email

at work. Also, Mrs. Washington informed me my work computer had a virus. They removed my work computer and gave me a laptop to work with, then after several weeks gave me back my computer. I believe at this time they installed spyware to monitor what websites I visited, that is reflected in the previous timeline. All of the places I met with to report job discrimination I believe were tipped off ahead of time I would be visiting them and acted accordingly.

At this time my friends in 2012 started to go to the same restaurant on the Upper East side of Manhattan after getting together on Friday nights. This was unusual, he usually went to different restaurants. Mrs. Jody Peterson and her boyfriend Matt Bjork asked me to connect with them on Facebook at this time, along with Leah Hochstetner. Mrs. Peterson at this time began to pay closer attention to me, and

Facts

Robert KAT

(11)

her boyfriend always invited me to hang out with him on Facebook. I believe Mrs. Peterson and Mr. Bjek were paid by the W-9HS to get this way.

After I left W-9HS I interviewed with Watson Adventures Scavenger Hunts, I helped to organize their hunts at the W-9HS and knew Brett Watson, company President very well. The position I interviewed for was a writer of the questions for the scavenger hunts. I told them on the interview and showed them my writing samples: press releases, media advisories, newspaper articles, and comedy writing. I was told to take a 10 page writing test that was extremely difficult and I did not finish. I believe no other writing candidate had to take this test or at that level of difficulty for a position with his company. Mr. Watson also gave me over the top job reference for my interview with the Hearst Club of New York. I believe Mr. Watson

was instructed and paid by the NYHS <sup>facts</sup> (Robert KATL) (14)  
 for the job reference and giving me a fake  
 writing test and interview to make me think I had  
 a real chance for a job with his company.

Mrs. Hochrainer arrange for me to interview  
 for a communications position with Weill Cornell where  
 she worked in 2013. I interviewed for the position  
 but did not get a job offer. I believe Mrs.  
 Hochrainer was paid to set me up on a fake interview  
 where she worked by NYHS.

I believe my friends were paid by NYHS  
 to hang out with and spy on me. Mrs. Hochrainer invited  
 me to her Queens apartment for my birthday in 2013  
 (same day Robin Williams died) she and her husband took  
 me to a not so great restaurant after traveling from  
 Westchester to Queens, and during the New England-Atlanta  
 Super Bowl party at Mrs. Hochrainer's apartment I asked  
 where a mutual friend Manny was, and she said

he had not returned from his home country the Philippines and nobody knew where he was, this was an obvious lie. I visited the Remones exhibit at the Queens Museum and I told Kishore, Mrs. Hochrainer's husband, and he said I should have stopped by his apartment in Jackson Heights, Queens the same day to hang out. I believe he invited me over or said this because he was getting paid by R-4HS every time they hunged out with me.

In 2013 I secured a few job interviews, I took a social media class and highlighted my social media accomplishments on my resume which I had not done before. My interviews went up drastically in 2014 yet I could not secure a job position.

In July 2014 I secured an interview with the Susan Magrino Agency. We confirmed an interview date, on the day I showed up for my interview

Facts

Robert KATZ

(14)

they sent me an email the day of the interview saying the position was filled. I showed up to the interview when they told me and read the email later that day. A similar event occurred with a friend He-Sook. He-Sook who I connected with on Facebook made arrangements with me in April 2013 to visit the Museum of the City of New York. She never showed up, then I checked my email and she cancelled that very same day by email. This was repeated with many of my job interviews cancelling at the last minute. I believe with this influence and paid for all of these cancellations. Several years later I had an interview arranged with the Susan Grant Lewin agency and the day of my interview was sent an email the same day saying the position was filled. ~~They did not tell me this when~~ they told me this when I showed up ~~for the~~ for the interview but interviewed me anyway.

during the interview I was asked where I lived which is illegal. This type of thing cancelling an interview on the day of the interview never previously happen before I started working at the N.Y.H.S.

I applied for positions with Hunter Public Relations in April 2009, July 2008, Jan, 2011, May 2011 and never received an interview, yet the intern in our department at N.Y.H.S. was hired as a Senior Account Executive with no experience at all. I had several years of agency experience and was not an intern at N.Y.H.S. but a contributing selected worker, yet she was hired and I was never selected an interview with this firm.

I had several meetings with Mrs. Bless Leidish in 2013 + 2014 of Pace U. Career services. I told her about the advertisement in the Pace Alumni

magazine about how Price Career Services has 3,000 regional and global employers work with their Career Services Dept. shortly. I asked her if she could put me in touch with some of these and her response was "I am not allowed". What I was asking from her was her job. Mrs. Leidish lied to me, and she never made a phone call or sent an email on my behalf to any employer. I believe she was instructed by the W-THS to act this way.

In October 2014 I wrote on Facebook about Jays Siskens, Tim Wroten, and Ben Leinsohn on the Facebook pages of places close to W-THS. Within days of the FB postings I had secured a phone interview with the Byggenheim Museum for a senior publicist

position. In 2012 and 2013 and a job fair at the Guggenheim I applied for positions with the Guggenheim and was never called for any interview. The phone interview with Sarah Rosen, Associate Director of Talent Management was a fake interview with no intention of hiring me. This was arranged I believe by N.Y.H.S.

I secured a phone interview on April 2, 2014 with David King of the Lower East Side Tenement Museum Communications Dept. At first he emailed saying he wanted to interview me then he never got back to me, even after repeated emails to Mr. King. I contacted the LESTM President who now was aware of what was going on. I now was able to secure a phone interview with Mr. King.

facts

(Robert Klotz)

my phone interview lasted 7 minutes and he asked me only one question. He hired Julie Bernick who had no museum experience. This was a fake interview arranged by the NYHS. This was a conspiracy by the NYHS to deny me a new job.

In November 2014 I moved to Middletown, New York. I began to send resumes at the Middletown Thrall Library starting in January 2015. Mrs. Anna Steinhilber wanted me to interview for a Museum Coordinator position at the Motorcyclepedia Museum in Newburgh, New York on January 20, 2015. We spoke on the phone and was told the position was filled. She said the email arranging the interview was sent prior to our phone conversation for the interview. The timing of this was very suspicious. I later sent resumes from SUNY Orange. Mrs. Kristin Visquez wanted me to come in for an interview for Public Relations Manager position with Masmoth

Advertising. I tried to confirm a date but did not hear back from her, then a few days later I was told they were going in another direction. I discussed a possible interview with Mrs. Julia Prosser of Simon Schuster after I read she looked at my LinkedIn profile regarding a publicist position with Simon Schuster.
